Appendix 1: Your audit team	15

Introduction

Summary of planned audit work

1. I, Claire Gardiner, have been appointed by the Accounts Commission as external auditor of Midlothian Integration Joint Board for the period from 2022/23 until 2026/27. The 2023/24 financial year is therefore the second of my five-year audit appointment. A brief biography of the audit team is provided at [Appendix 1](#).

2. This document summarises the work plan for my 2023/24 audit. The main elements of the audit include:

- an audit of the financial statements and an opinion on whether they give a true and fair view and are free from material misstatement
- an audit opinion on other statutory information published with the financial statements in the annual accounts, including the Management Commentary, the Annual Governance Statement, and the Remuneration Report
- consideration of arrangements in relation to wider scope areas: financial management; financial sustainability; vision, leadership and governance; and use of resources to improve outcomes
- consideration of Best Value arrangements.

Respective responsibilities of the auditor and Midlothian Integration Joint Board

3. The [Code of Audit Practice](#) sets out in detail the respective responsibilities of the auditor and Midlothian Integration Joint Board. Key responsibilities are summarised below.

Auditor responsibilities

4. My responsibilities as appointed auditor are established by the Local Government (Scotland) Act 1973 and the Code of Audit Practice (including [supplementary guidance](#)) and guided by the Financial Reporting Council's Ethical Standard.

5. Auditors in the public sector give an independent opinion on the financial statements and other information within the annual accounts. We also review and report on the wider scope arrangements in place at Midlothian Integration Joint Board. In doing this, we aim to support improvement and accountability.

Midlothian Integration Joint Board's responsibilities

6. Midlothian Integration Joint Board is responsible for maintaining adequate accounting records and internal controls, and preparing financial statements for audit that give a true and fair view. Midlothian Integration Joint Board is also required to produce other reports in the Annual Accounts in accordance with statutory requirements.

7. Midlothian Integration Joint Board has the primary responsibility for ensuring the proper financial stewardship of public funds, compliance with relevant legislation, and establishing effective arrangements for governance, propriety, and regularity that enable them to deliver their objectives.

Adding Value

8. My team and I aim to add value by:

- tailoring audit work to the circumstances of Midlothian Integration Joint Board and the audit risks identified
- being constructive and forward looking
- providing independent conclusions
- attending meetings of the Audit and Risk Committee, and
- recommending and encouraging good practice.

9. In so doing, we will help Midlothian Integration Joint Board promote improved standards of governance, better management and decision making, and more effective use of resources.

Annual accounts

Introduction

10. The annual accounts are an essential part of demonstrating Midlothian Integration Joint Board's stewardship of resources and its performance in the use of those resources.

11. As appointed auditor, I am required to perform an audit of the financial statements, consider other information within the annual accounts, and express a number of audit opinions in an Independent Auditor's Report in accordance with International Standards on Auditing (ISAs) in the UK, Practice Note 10 from the Public Audit Forum which interprets the ISAs for the public sector, and guidance from Audit Scotland.

12. My team and I focus our work on the areas of highest risk. As part of our planning process, we perform a risk assessment highlighting the audit risks relating to each of the main financial systems relevant to the production of the financial statements.

Materiality

13. The concept of materiality is applied by auditors in planning and performing the audit, and in evaluating the effect of any uncorrected misstatements on the financial statements. I am required to plan my audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. The assessment of what is material is a matter of professional judgement over both the amount and the nature of the misstatement.

Materiality levels for the 2023/24 audit

14. We assess materiality at different levels as described in [Exhibit 1](#). The materiality values for Midlothian Integration Joint Board are set out below.

Exhibit 1

2023/24 Materiality levels for Midlothian IJB

Materiality	Amount
Planning materiality: This is the figure we calculate to assess the overall impact of audit adjustments on the financial statements. Materiality has been set based on our assessment of the needs of the users of the financial statements and the nature of the Midlothian Integration Joint Board's operations. For the year ended 31 March 2024, we have set our materiality at 2% of gross expenditure based on the audited financial statements for 2022/23.	£3.6 million

Materiality	Amount
Performance materiality: This acts as a trigger point. If the aggregate of errors identified during the financial statements audit exceeds performance materiality, this could indicate that further audit procedures are required. Using our professional judgement, we have assessed performance materiality at 70% of planning materiality.	£2.5 million
Reporting threshold (i.e. clearly trivial): We are required to report to those charged with governance on all unadjusted misstatements more than the 'reporting threshold' amount.	£0.2 million

Source: Audit Scotland

Significant risks of material misstatement to the financial statements

15. Our risk assessment draws on our cumulative knowledge of the Midlothian Integration Joint Board, its major transaction streams, key systems of internal control, and risk management processes. It is informed by our discussions with management, meetings with internal audit, attendance at committees, and a review of supporting information.

16. Audit risk assessment is an iterative and dynamic process. Our assessment of risks set out in this plan may change as more information and evidence becomes available during the progress of the audit. Where such changes occur, we will advise management, and where relevant, report them to those charged with governance.

17. Based on our risk assessment process, we identified the following significant risk of material misstatement to the financial statements. Significant risks are those which have the greatest impact on our planned audit procedures. [Exhibit 2](#) summarises the nature of the risk identified, management's sources of assurance over this risk, and the further audit procedures we plan to perform to gain assurance over the risk.

Exhibit 2

2023/24 Significant risks of material misstatement to the financial statements

Significant risk of material misstatement	Management's sources of assurance	Planned audit response
<p>1. Risk of material misstatement due to fraud caused by management override of controls</p> <p>As stated in ISA (UK) 240, management is in a unique position to perpetrate fraud</p>	<p>Owing to the nature of this risk, assurances from management are not applicable in this instance.</p>	<ul style="list-style-type: none"> Agreement of balances and transactions to Midlothian Council and NHS Lothian financial reports/ledger and correspondence.

Significant risk of material misstatement	Management's sources of assurance	Planned audit response
because of management's ability to override controls that otherwise appear to be operating effectively.		<ul style="list-style-type: none"> • Constituent body auditor assurances will be obtained over the completeness, accuracy and allocation of income and expenditure to Midlothian Integration Joint Board activities included in the annual accounts. • Review of year-end transactions and journals.

Source: Audit Scotland

18. As set out in International Standard on Auditing (UK) 240: *The auditor's responsibilities relating to fraud in an audit of financial statement*, there is a presumed risk of fraud over the recognition of revenue. There is a risk that revenue may be misstated resulting in a material misstatement in the financial statements.

19. We assess that the risk of material misstatement arising from fraud over income is limited as the IJB does not raise any revenue directly. Midlothian Integration Joint Board is wholly funded by Midlothian Council and NHS Lothian and this limits the opportunity for manipulation.

20. In line with Practice Note 10: Audit of financial statements and regularity of public sector bodies in the United Kingdom, as most public-sector bodies are net spending bodies, the risk of material misstatement due to fraud related to expenditure recognition may in some cases be greater than the risk relating to revenue recognition.

21. We have rebutted this risk on the basis that all transactions are processed by the partner bodies rather than Midlothian Integration Joint Board directly and that all expenditure is undertaken by the partners who are public sector bodies.

22. We have not, therefore, incorporated specific work into our audit plan in these areas over and above our standard audit procedures.

Other areas of audit focus

23. As part of our assessment of audit risks, we have not identified any other areas where we consider there are also risks of material misstatement to the financial statements.

Wider Scope and Best Value

Introduction

24. Reflecting the fact that public money is involved, public audit is planned and undertaken from a wider perspective than in the private sector. The Code of Audit Practice sets out the four areas that frame the wider scope of public sector audit and requires auditors to consider and conclude on the effectiveness and appropriateness of the arrangements in place for each wider scope area in audited bodies.

25. In summary, the four wider scope areas are:

- **Financial management:** means having sound budgetary processes. We will consider the arrangements to secure sound financial management, including the strength of the financial management culture, accountability, and arrangements to prevent and detect fraud, error, and other irregularities.
- **Financial sustainability:** We will look ahead to consider whether Midlothian Integration Joint Board have shown regard to financial sustainability and are planning ahead effectively. We look at planning for the medium term (two to five years) and longer term (longer than five years). We will also comment on financial sustainability in the longer term.
- **Vision, leadership, and governance:** Integration Joint Board's must have a clear vision and strategy and work together with partners and communities to improve outcomes. We will consider the arrangements in place to deliver the vision, strategy and priorities adopted by Midlothian Integration Joint Board and the effectiveness of the governance arrangements to support delivery. The Integration Joint Board is currently operating with an interim Chief Finance Officer. We will monitor progress with appointing a permanent officer to the role.
- **Use of resources to improve outcomes:** Integration Joint Board's must make best use of their resources to meet stated outcomes and improvement objectives. We will consider how the Midlothian Integration Joint Board demonstrates economy, efficiency, and effectiveness through the use of financial and other resources.

Wider scope risks

26. We have identified significant risks in the wider scope areas set out in [Exhibit 3](#). This exhibit sets out the risks, management's sources of assurance for the risks, and the further audit procedures we plan to perform to gain assurances over the risks.

Exhibit 3

2023/24 wider scope risks

Description of risk	Management's sources of assurance	Planned audit response
<p>1. Financial sustainability</p> <p>Midlothian Integration Joint Board has developed a rolling five year financial plan for the period 2024/25 to 2028/29. The latest plan is forecasting a cumulative funding gap of £27 million to 2028/29.</p> <p>The latest partner funding levels, cost pressures and inflation figures have been applied in the financial plan but these pressures will continue to present significant challenges to financial planning and the ability of the Integration Joint Board to deliver quality services.</p>	<p>Integration Joint Board financial monitoring reports and other financial reports to the Integration Joint Board included budget reports and longer-term financial plans.</p> <p>The Integration Joint Board risk register presented to the Integration Joint Board Audit & Risk Committee.</p>	<ul style="list-style-type: none"> We will perform a review of the five year financial plan, providing comment in our Annual Audit Report.

Source: Audit Scotland

27. Our planned work on the wider scope areas is risk based and proportionate, and in addition to local risks, we may be asked by the Accounts Commission to consider specific risk areas which are impacting the public sector as a whole. We have not been asked to consider specific risks for 2023/24 audits, but we will remain cognisant of challenges identified in prior years such as cyber security threats.

Best Value

28. Integration Joint Boards have a statutory duty to make arrangements to secure Best Value. We will consider how Midlothian Integration Joint Board demonstrates that it is meeting its Best Value responsibilities and we will report our findings as part of our Annual Audit Report.

Reporting arrangements, timetable, and audit fee

Reporting arrangements

29. Matters arising from our audit will be reported on a timely basis and will include agreed action plans. Draft reports will be shared with the relevant officers to confirm factual accuracy.

30. We will provide:

- an Independent Auditor's Report to Midlothian Integration Joint Board and the Accounts Commission setting out our opinions on the annual accounts
- Midlothian Integration Joint Board and the Accounts Commission with an Annual Audit Report containing observations and recommendations on significant matters which have arisen during the audit and conclusions on wider scope areas.

31. [Exhibit 4](#) outlines the target dates for our audit outputs set by the Accounts Commission. In determining the target reporting date, due regard is paid to the dates for approving the annual accounts set out in regulations of 30 September 2024.

32. We plan to issue our Independent Auditor's Report and Annual Audit Report by the target date.

Exhibit 4

2020/21 Audit outputs

Audit Output	Target date	Audit and Risk Committee Date
Annual Audit Plan	31 March 2024	7 March 2024
Independent Auditor's Report	30 September 2024	19 September 2024
Annual Audit Report	30 September 2024	19 September 2024

Source: Audit Scotland

33. All Annual Audit Plans and the outputs detailed in [Exhibit 4](#), and any other outputs on matters of public interest, will be published on our website: www.audit-scotland.gov.uk.

Timetable

34. To support an efficient audit, it is critical that the timetable for producing the annual accounts for audit is achieved. We have included a proposed timetable for the audit at [Exhibit 5](#) that has been discussed with management.

35. We will continue to work closely with management to identify the most efficient approach as appropriate and will keep timeframes and logistics for the completion of the audit under review. Progress will be discussed with management and finance officers over the course of the audit.

Exhibit 5

Proposed annual accounts timetable

Key stage	Provisional Date
Consideration of the unaudited annual accounts by those charged with governance	30 June 2024
Latest submission date for the receipt of the unaudited annual accounts with complete working papers package.	30 June 2024
Latest date for final clearance meeting with the Chief Finance Officer	22 August 2024
Issue of draft Letter of Representation and proposed Independent Auditor's Report	29 August 2024
Agreement of audited and unsigned annual accounts	19 September 2024
Issue of Annual Audit Report to those charged with governance	19 September 2024
Signed Independent Auditor's Report	19 September 2024

Source: Audit Scotland

Audit fee

36. In determining the audit fee, we have taken account of the risk exposure of Midlothian Integration Joint Board and the planned management assurances in place. Fee levels are also impacted by inflation which increases the cost of audit delivery. The planned audit fee for 2023/24 is £33,360.

37. In setting the fee for 2023/24, we have assumed that Midlothian Integration Joint Board has effective governance arrangements and will prepare a comprehensive and accurate set of annual accounts for audit in line with the agreed timetable for the audit. The audit fee assumes there will be no major change in respect of the scope of the audit during the year and where our audit cannot proceed as planned, a supplementary fee may be levied.

Other matters

Internal audit

38. It is the responsibility of the Midlothian Integration Joint Board to establish adequate internal audit arrangements. We will review the internal audit plan and the results of internal audit's work.

39. While we are not planning to place formal reliance on the work of internal audit in 2023/24, we will review internal audit reports and assess the impact of the findings on our financial statements and wider scope audit responsibilities.

Independence and objectivity

40. I am independent of Midlothian Integration Joint Board in accordance with relevant ethical requirements, including the Financial Reporting Council's Ethical Standard. This standard imposes stringent rules to ensure the independence and objectivity of auditors.

41. Audit Scotland has robust arrangements in place to ensure compliance with Ethical Standard including an annual '*fit and proper*' declaration for all members of staff. The arrangements are overseen by the Executive Director of Innovation and Quality, who serves as Audit Scotland's Ethics Partner.

42. The Ethical Standard requires auditors to communicate any relationships that may affect the independence and objectivity of the audit team. I am not aware of any such relationships pertaining to the audit of Midlothian Integration Joint Board.

Audit Quality

43. Audit Scotland is committed to the consistent delivery of high-quality public audit. Audit quality requires ongoing attention and improvement to keep pace with external and internal changes. A document explaining the arrangements for providing assurance on the delivery of high-quality audits is available from the [Audit Scotland website](#).

44. The International Standards on Quality Management (ISQM) applicable to Audit Scotland for 2023/24 audits are:

- ISQM (UK) 1 which deals with an audit organisation's responsibilities to design, implement and operate a system of quality management (SoQM) for audits. Our SoQM consists of a variety of components, such as: our governance arrangements and culture to support audit quality, compliance with ethical requirements, ensuring we are dedicated to high-quality audit through our engagement performance and resourcing arrangements, and ensuring we have robust quality monitoring

arrangements in place. Audit Scotland carries out an annual evaluation of our SoQM and has concluded that we comply with this standard.

- ISQM (UK) 2 which sets out arrangements for conducting engagement quality reviews, which are performed by senior management not involved in the audit to review significant judgements and conclusions reached by the audit team, and the appropriateness of proposed audit opinions of high-risk audit engagements.

45. To monitor quality at an individual audit level, Audit Scotland also carries out internal quality reviews of a sample of audits. Additionally, the Institute of Chartered Accountants of England and Wales (ICAEW) carries out independent quality reviews.

46. Actions to address deficiencies identified by internal and external quality reviews are included in a rolling Quality Improvement Action Plan which is used to support continuous improvement. Progress with implementing planned actions is regularly monitored by Audit Scotland's Quality and Ethics Committee.

47. Audit Scotland may periodically seek your views on the quality of our service provision. The team would also welcome feedback more informally at any time.

Appendix 1: Your audit team

The audit team involved in the audit of the Midlothian Integration Joint Board have significant experience in public sector audit.

Claire Gardiner
Audit Director
cgardiner@audit-scotland.gov.uk

Claire has over 19 years of public sector auditing experience. Claire has worked across the breadth of the public sector on financial audits.

Patricia Fraser
Senior Audit Manager
pfraser@audit-scotland.gov.uk

Patricia has considerable public sector audit experience and has delivered external audit services to a range of bodies including local authorities, health boards and central government bodies.

Kay Jenks
Senior Auditor
kjenks@audit-scotland.gov.uk

Kay has considerable experience in planning and delivering audits. Kay will manage the team and work alongside the Senior Audit Manager and Audit Director to deliver the audit.

48. The local audit team is supported by a specialist technical accounting team, all of whom have significant experience of public bodies and work with accounting regulatory bodies.
