## **2. INTERNAL CONTROLS AND AUDIT APPROACH**

2.1 We have reviewed in the course of our audit the key elements of the College's systems of internal financial controls including the following areas;

- a) The College's medium and short term planning processes including budgets;
- b) The College's review of key performance indicators, financial and management accounts;
- c) The College's controls over income and expenditure;
- d) The College's financial controls and procedures;
- e) The input from the Audit Committee and the Finance, Estates & General Purposes Committee;
- f) The College's internal audit service.

2.2 In carrying out our audit work we have taken into account the following:

- a) The Code of Audit Practice issued by Audit Scotland;
- b) The Code of Audit Practice issued by SFC;
- c) Guidance issued by Audit Scotland;
- d) Guidance issued by SFC;
- e) The College's internal control procedures;
- f) The College's Corporate Governance procedures;
- g) The College's approach to Value for Money;
- h) The financial memorandum between SFC and the College.

2.3 In reaching our audit opinion we carried out our audit work based on the audit plan with evidence obtained by:

- a) Reviewing previous financial statements;
- b) Reviewing internal audit plans and reports;
- c) Discussions with senior management and staff at the College;
- d) Completing appropriate audit programmes;
- e) Carrying out analytical review procedures;
- f) Carrying out substantive and compliance audit tests on a judgemental basis;
- g) Reviewing the minutes of the principal College committees.

2.4 Based on our review the College appears to operate appropriate internal financial controls. We have no management letter points requiring to be brought to the Boards attention. See section 8 of this report.

### 3. FINANCIAL STATEMENTS

3.1 The financial statements of the College are the means by which it accounts for its stewardship of the resources made available to it and its financial performance in the use of these resources. In accordance with the Further and Higher Education (Scotland) Act 1992 and the Accounts Direction issued by the SFC, it is the responsibility of the College to prepare financial statements, which give a true and fair view of the College's financial position and the income and expenditure for the year.

3.2 The Public Finance and Accountability (Scotland) Act 2000 requires that the auditor shall place on the abstract of accounts an audit report, which contains an opinion as to whether the College has fulfilled this responsibility. The format of the audit report directed by the Auditor General for Scotland clarifies the respective responsibilities of management and auditors in relation to the accounts and requires auditors to set out the basis on which they have formed their opinion.

#### AUDIT REPORT

3.3 We are pleased to record that there are no qualifications in our audit report on the College's 2010/11 accounts. In our opinion the financial statements give a true and fair view of the College's financial position and the income and expenditure for the year and funds received have been applied for their intended purpose.

3.4 The income and expenditure account shows a deficit for the year of £204,000. This is compared to a previous year surplus of £666,000. The accounts presented for audit showed a deficit of £204,000 which has not changed during our audit work. The impact of FRS17 pension adjustments, the unfunded pension provision and restructuring costs on the financial statements are as follows:

	<b>2011/12</b>	<b>2010/11</b>	<b>2010/11</b>	<b>2009/10</b>
	<b>Budget</b>	<b>Budget</b>	<b>Actual</b>	<b>Actual</b>
	<b>£'000</b>	<b>£'000</b>	<b>£'000</b>	<b>£'000</b>
(Deficit)/surplus for the year	128	198	(204)	666
a) RS 17 adjustment re Strathclyde Pension Fund	0	0	77	(513)
b) Unfunded pension provision adjustment	50	67	32	314
<b>Subtotal (deficit)/surplus for the year</b>	<b>178</b>	<b>265</b>	<b>(95)</b>	<b>467</b>
c) Restructuring costs	70	0	744	156
<b>Operating surplus for the year</b>	<b>248</b>	<b>265</b>	<b>649</b>	<b>623</b>

The College considers items (a) and (b) to be out with its immediate control as both items are subject to fluctuation in the financial markets. Due to the unpredictable nature of these items their impact on the declared profit and loss account is removed in arriving at the operating surplus/(deficit) for the year.

The College underwent a significant level of restructuring during 2010/11 in order to produce a balanced budget for 2011/12. The impact of this restructuring, which was achieved entirely through voluntary severance, when removed from the profit and loss account shows that the College has produced a healthy operating surplus for the past two years.

- 3.5. In 2010/11 the College had budgeted for a surplus of £198,000 with an operating surplus of £265,000 before pension adjustments and restructuring costs.

The College has budgeted for a £128,000 surplus in 2011/12 with a £248,000 operating surplus for the year before pension adjustments and restructuring costs.

- 3.6 The surplus brought forward on the income and expenditure reserve at 1 August 2010, excluding pension reserves was £1,025,000. After the deficit for the year of £204,000 is taken into account and the pension reserve movement of £77,000, the surplus on the College's income and expenditure reserve at 31 July 2011 is £898,000.

#### **SUBMISSION OF ACCOUNTS**

- 3.7 The accounts were submitted for audit **on 5 September 2011**, in line with the agreed timetable. The accounts submitted for audit were substantially complete. Working papers provided have generally been of a high standard and queries arising from the audit have all been resolved. Key staff were readily available for consultation throughout the audit process.

#### **ISSUES ARISING**

- 3.8 During the course of the audit a number of issues arose which were resolved in discussion with, or formally reported to the Director of Finance and Estates. This practice is an established part of the audit process. The remainder of this report draws to the attention of the Board of Governors and the Auditor General any matters of particular significance or interest, which arose from the audit.

- 3.9 Pension / FRS 17:

a) The pension liability in regard to the Strathclyde Pension Fund decreased by £602,000 to £1,578,000 based on the actuarial report commissioned by the College.

b) The unfunded pension provision has decreased by £67,000 to £3,157,000. The College followed the SFC guidance in regard to the calculation of this provision.

3.10 Fee waiver income recognition:

The College has completed its audit of the WSUM's and associated fee waiver claim for 2010/11. The amount claimable by the College is in excess of the level of fee waiver paid by the SFC. No debtor has been allowed for in the 2010/11 accounts as the SFC has made it clear that no additional funding will be made available to pay any excess fee waiver claims in relation to 2010/11.

## **4. INTERNAL AUDIT**

### **Objective and Approach**

- 4.1 Internal audit is a key element of the internal control system set up by management. A strong internal audit function is necessary to ensure the continuing effectiveness of the internal control system established. The College, therefore, needs to have in place a properly resourced internal audit service of good quality. To maximise the reliance that may be placed on internal audit and to avoid duplication of effort, the adequacy of internal audit is assessed each year.
- 4.2 The College's internal auditors during 2010/11 were Deloitte LLP.
- 4.3 The College's internal audit strategic and operational plans are set out for the year ending 31 July 2011 in the Audit Needs Assessment.
- 4.4 In the course of the year ended 31 July 2011 the following internal audit reports were issued:
- a) Review of Admissions and Advice Centre Management
  - b) New electronic class registers
  - c) Payroll reporting
  - d) Strategic Planning and Performance Management
  - e) Review of Faculty of Sport & Wellbeing
  - f) Review of Purchasing
  - g) Follow Up
- 4.5 The Internal audit work carried out and the reports issued in the year were in line with the Audit Needs Assessment.
- 4.6 The Annual Report from the College's internal auditors gave substantial assurance for the year. No internal audit reports were outstanding at the date of this Annual Report.

### **Opinion**

- 4.7 An assessment was made of the adequacy of the Internal Audit function using a bespoke checklist and review of the internal audit reports. Based on this work we concluded that the internal audit function is operating effectively and that we can place formal reliance on work of Internal Audit. Accordingly reliance was placed on the work of Internal Audit in all areas listed.

## **5. CORPORATE GOVERNANCE**

### **Objective and Approach**

- 5.1 A review and assessment of the College's Corporate Governance systems relating to standards of conduct, openness and integrity was carried out using a bespoke checklist. We also reviewed the following:
- a) The College's Corporate Governance Statement included in the financial statements for the year ended 31 July 2011;
  - b) The College's Corporate Governance Strategy;
  - c) The minutes of meetings of key College committees issued during the year.

### **Opinion**

- 5.2 Based on our review the College appears to operate appropriate Corporate Governance procedures and that management have adequate arrangements in place covering standards of conduct etc. These include for example Codes of Conduct for both Board Members and Staff. We found no matters therein to impact upon our audit opinion.

### **Recommendations**

- 5.3 There are no recommendations in 2011 in this area.

## **6. VALUE FOR MONEY**

### **Objective and Approach**

6.1 We have reviewed the College's Value for Money systems including the following:

- a) The College's strategy in this area;
- b) VFM studies carried out by the College's internal auditors.

### **Opinion**

6.2 Based on our review the College appears to have established adequate arrangements to secure economy, efficiency and effectiveness in the use of its resources.

### **Recommendations**

6.3 There are no recommendations in 2011 in this area.

## **7. PREVENTION AND DETECTION OF FRAUD AND IRREGULARITIES**

### **Objective and Approach**

- 7.1 The Code sets out that the College should establish arrangements for the prevention and detection of fraud and other irregularities as part of its Corporate Governance procedures.
- 7.2 An assessment was made of the adequacy of the systems and controls for the prevention and detection of fraud and irregularities using a bespoke checklist.
- 7.3 In the course of the audit we have reviewed the following areas with regard to the prevention and detection of fraud and irregularities:
- a) The monitoring and compliance with financial procedures;
  - b) The College's strategy to prevent and detect fraud and other irregularities;
  - c) The internal controls operated for segregation of duties, authorisation and approval processes and reconciliation procedures.
- 7.4 No areas of concern were found during normal audit procedures.
- 7.5 We emphasise that our audit of the financial statements is planned to ensure there is a reasonable expectation of detecting misstatements arising from fraud or other irregularity that are material in relation to those financial statements, but cannot be relied upon to detect all frauds and irregularities.

### **Opinion**

- 7.6 Overall we concluded that management takes fraud prevention and detection seriously and has reliable controls in place to ensure that potential areas for fraud are detected and dealt with.

### **Recommendations**

- 7.7 There are no recommendations in 2011 in this area.

**8. MANAGEMENT LETTER – 2011**

## **9. MANAGEMENT LETTER – 2010**

9.1 There were no recommendations raised from the 2010 audit.

## 10 SUMMARY OF DEVIATIONS

10.1 During our audit work, we identified no deviations relating to control matters. The table below summarises the numerical deviations uncovered during our audit sample testing. These deviations are wholly immaterial in the context of our audit and we do not propose any adjustment is made. We bring the deviations to the attention of the Board of Governors as a requirement of the auditing standards.

*(As copied from Annual Accounts)*

## **Statement of the Board of Governor's Responsibilities**

The Board of Governors are required to present audited financial statements for each financial year.

In accordance with the Further and Higher Education (Scotland) Act 1992, the Board of Governors is responsible for the administration and management of the College's affairs, including ensuring an effective system of internal control, and is required to present audited financial statements for each financial year.

The Board of Governors is responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the College and enable it to ensure that the financial statements are prepared in accordance with the Further and Higher Education (Scotland) Act 1992, the 2007 Statement of Recommended Practice - Accounting for Further and Higher Education Institutions and other relevant accounting standards. In addition, within the terms and conditions of a Financial Memorandum agreed between the Scottish Funding Council and the College's Board of Governors, the Board of Governors, through its designated office holder, is required to prepare financial statements for each financial year which give a true and fair view of the College's state of affairs and of the surplus or deficit and cash flows for that year.

The financial statements are prepared in accordance with the Accounts Direction issued by the Scottish Funding Council, which brings together the provisions of the Financial Memorandum with other formal disclosures that the Scottish Funding Council require the Board of Governors to make in the financial statements and related notes.

In preparing the financial statements, the Board of Governors is required to:

- Select suitable accounting policies and apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare financial statements on the going concern basis, unless it is inappropriate to presume that the College will continue in operation. The Board of Governors is satisfied that it has adequate resources to continue in operation for the foreseeable future and

for this reason the going concern basis continues to be adopted in the preparation of the financial statements.

The Board of Governors has taken reasonable steps to:

- Ensure that funds from the Scottish Funding Council are used only for the purposes for which they have been given and in accordance with the Financial Memorandum with the Funding Council and any other conditions which the Funding Council may from time to time prescribe;
- Ensure that there are appropriate financial and management controls in place to safeguard public funds and funds from other sources;
- Safeguard the assets of the College and prevent and detect fraud;
- Secure the economical, efficient and effective management of the College's resources and expenditure.

The key elements of the College's system of internal financial control, which is designed to discharge the responsibilities set out above, include the following:

- Clear definitions of the responsibilities of, and the authority delegated to, heads of academic and administrative departments;
- A comprehensive medium and short-term planning process, supplemented by detailed annual income, expenditure, capital and cash flow budgets;
- Regular reviews of key performance indicators and business risks and quarterly reviews of financial results involving variance reporting and updates of forecast outturns;
- Clearly defined and formalised requirements for approval and control of expenditure, with investment decisions involving capital or revenue expenditure being subject to formal detailed appraisal and review according to approval levels set by the Board of Governors;
- Comprehensive Financial Regulations, detailing financial controls and procedures, approved by the Audit Committee and the Finance and General Purposes Committee;
- Professional internal audit team whose annual programme is approved by the Audit Committee and endorsed by the Board of Governors and whose head provides the Board of Governors with a report on internal audit activity within the College and an

opinion on the adequacy and effectiveness of the College's system of internal control, including internal financial control.

Any system of internal financial control can, however, only provide reasonable, but not absolute, assurance against material misstatement or loss.

Approved by order of the members of the Board of Governors and signed on its behalf by:

These financial statements have been prepared under the accounting policies set out within them.

This report is made solely to the parties to whom it is addressed in accordance with the Public Finance and Accountability (Scotland) Act 2000 and for no other purpose. Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and with International Standards on Auditing (UK and Ireland) as required by the Code of Audit Practice approved by the Auditor General for Scotland.

We report our opinion as to whether the financial statements give a true and fair view and have been properly prepared in accordance with the Further and Higher Education (Scotland) Act 1992 and the Accounts Direction. We also report if, in our opinion, the Foreword is not consistent with the financial statements, if the body has not kept proper accounting records, or if we have not received all the information and explanations we require for our audit. We are not required to consider whether the statement covers all risks and controls, or form an opinion on the effectiveness of the college's corporate governance procedures or its risk and control procedures.

We read the other information contained in the Annual Report and consider whether it is consistent with the audited financial statements. We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. Our responsibilities do not extend to any other information.

### **Basis of audit opinion**

We conducted our audit in accordance with the Public Finance and Accountability (Scotland) Act 2000 and International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board as required by the Code of Audit Practice approved by the Auditor General for Scotland. An audit includes examination, on a test basis, of evidence relevant to the amounts, disclosures and regularity of expenditure and income included in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Board of Governors and Accountable Officer in the preparation of the financial statements, and of whether the accounting policies are appropriate to the college's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error, and that in all material respects the expenditure and income shown in the financial statements were incurred or applied in accordance with any applicable enactments and guidance issued by the Scottish Ministers. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

2. We have appointed Deloitte LLP as Internal Auditors to the College as required by SFC. All reports issued to the College and our responses to them have been made available to you.
3. We acknowledge our responsibility for the design and implementation of internal control systems to prevent and detect fraud. We have disclosed to you the results of our risk assessment that the financial statements may be misstated as a result of fraud. There have been no irregularities (or allegations of irregularities) involving management,

employees who have a significant role in internal control or others that could have a material effect on the financial statements.

4. The College has no liabilities or contingent liabilities other than those disclosed in the accounts.
5. All claims in connection with litigation that have been, or are expected to be, received have been properly accrued for in the financial statements.
6. There have been no events since the balance sheet date that require disclosure or which would materially affect the amounts in the accounts, other than those already disclosed or included in the accounts. Should further material events occur, which may necessitate revision of the figures included in the financial statements or inclusion of a note thereto, we will advise you accordingly.
7. The College has had at no time during the year any arrangement, transaction or agreement to provide credit facilities (including loans, quasi-loans or credit transactions) for the Board of Governors nor to guarantee or provide security for such matters.

No allegations of such irregularities, including fraud, or such breaches have come to our attention.
12. We confirm that we are not aware of any possible or actual instance of non-compliance with those laws and regulations which provide a legal framework within which the College conducts its business.
13. We confirm that, in our opinion, the College is a going concern on the grounds that current and future sources of funding or support will be more than adequate for the College's needs. We have considered a period of twelve months from the date of approval of the financial statements. We believe that no further disclosures relating to the College's ability to continue as a going concern need to be made in the financial statements.

14. We confirm that we have considered the unadjusted errors on the attached schedule. It is our view that the cost of making these adjustments to the financial statements outweighs any benefits that will be gained by users of the accounts. The combined effect of the errors is not material and we do not consider that their absence from the financial statements affects the true and fair view given.

We confirm that the above representations are made on the basis of enquiries of management and staff with relevant knowledge and experience (and, where appropriate, of supporting documentation) sufficient to satisfy ourselves that we can properly make each of the above representations to you.

Yours faithfully
