

Certificate of Approval

This is to certify that the Management System of:

Audit Scotland

4th Floor, 102 West Port, Edinburgh, EH3 9DN, United Kingdom

has been approved by LRQA to the following standards:

ISO/IEC 27001:2022

Approval number(s): ISO/IEC 27001 – 00037584

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Audit Scotland provides the Auditor General and the Accounts Commission with the services they need and provides independent assurance to the people of Scotland that public money is spent properly, efficiently and effectively. The Audit Scotland Information Security Management System (ISMS) and our commitment to ISO certification requires that as well as our own organisational data, we securely manage data shared with us by our clients. Our ISMS covers data, people, our premises, technology, supplier management and backup data processes managed from our Pulsant data centre. In line with Statement of Applicability April 2025.

This certificate is a continuation of a previous approval from another certification body as follows:

Previous original ISO/IEC 27001 approval on 14-SEP-2016, British Assessment bureau certificate number 231334
